ISLAND HOPPING

To the Fashionable Greek Islands

We design complete island hopping packages to the Greek Islands of your choice

Every Island has its own flavor and each sea has its own color. The Ionian is steeped in emerald, the Aegean shimmers like a turquoise, and the Mediterranean sparkles like a sapphire. Whether you thrive on the cosmopolitan island of Santorini, the "jet set" island of Mykonos, or seek the remoteness and solitude of Simi, there is an island for you! Below we have listed some popular island combinations that will assist you as you plan your trip. You may also include Athens at the beginning or at the end of any island hopping combination, or for any package that you would like us to design for you.
